Forget those pointy ponchos and grandma doilies of yesteryear—a new generation of crafters is realizing just how funky and fun crocheting can be. *I Love Crochet* by Rachel Henderson & Sarah Hazell teaches all the basic techniques and stitches as well as decorative flourishes such as popcorns, bobbles, and fur and bullion stitches. The book includes 25 original projects ranging from chunky scarves and bobble tote bags to pillow covers. And there are great crocheted edgings for tank tops and denim minis and make-it-yourself jewelry and belts—all trendy and fashionable. Every project comes with step-by-step instructions, illustrations, and photographs. The person who can already knit will pick up crochet in the flick of a hook—and discover it's much more forgiving. The projects are suitable for beginners but will also interest more advanced crocheters. The projects in *I Love Crochet* are all perfect for giftgiving—as is the book itself. *Martha Stewart's Favorite Crafts for Kids* focuses on craft projects that children, aged three to twelve, can make with their parents. These projects are fun, yet serve a practical purpose; children can wear, decorate, and play with what they make. Filled with ideas for a range of ages, skill

levels, and interests, this book lets children's creativity run wild, while creating precious memories as parents and kids learn and create as a team. The ultimate Japanese knitting and crochet stitch bible—now available for English-speaking crafters! 1000 Japanese Knitting & Crochet Stitches is a treasure trove of needlecraft patterns and motifs for knitters and crocheters seeking to create and better understand the infinite variety of their craft. The classic compendium of Japanese stitches is finally available to Western audiences! The Japanese reference work is beloved by knitters the world over, and this English version will allow even more crafters to enjoy these techniques. This dictionary includes 700 original knitting stitch patterns and 300 original crochet patterns that have inspired many modern Japanese knitwear designs. You'll find classic lacy, cable, Aran, Fair Isle, Nordic, ethnic patterns; geometric, botanical and animal motifs; and so much more. This one-stop reference has detailed steps and stitch diagrams showing how to execute over 60 different knitting stitches and over 40 different crochet stitches. Each pattern is charted with a delineation of the pattern repeat. Like Tuttle's other bestselling knitting dictionaries—including Hitomi Shida's Japanese Knitting Stitch Bible—this one includes an introduction by Japanese knitting guru Gayle Roehm, which helps non-Japanese knitters navigate the differences between the Japanese and Western styles of knitting and crochet. Great for new and experienced crocheters alike, Crochet Stitch Dictionary offers 200 stitches with detailed written, charted, and photographed instructions. This essential book presents 10 color-coded stitch sections: Basic stitches, Fans & Shells, Bobbles & Clusters, Spike stitches, Post stitches, Mesh & Filet, Cable stitches, Tunisian stitches, and more! Learn each stitch with written, charted, and step-by-step photo instructions that clearly explain where the yarn goes each step of the way. In addition, each stitch pattern shows a large finished swatch in actual size. You'll enjoy the colorful and eye-catching "candy-box" sampler

pages that start every section. Crochet Stitch Dictionary offers excellent useful instruction and inspiration for all crocheters.
